CLUBPLUS

ClubPLUS - An add on service to The Presenters Club!

As an add-on to the regular job sheets you can also join ClubPLUS, which is an extra service that sends out material (on your behalf) for job applications from the Presenter Club lead sheet or any other job you wish to apply for.

You tell us what jobs you wish to apply for and we approach the company or individual for you. We will send your showreel or demo with a letter and profile, for every application we send out we will supply you with a 'proof of postage' so that you will know it has been sent.

ClubPLUS - Never miss a job application date!

This service is great value for money too, as long as you are club member you can be a ClubPLUS artist for only an extra £30.00 for every 6 applications (You only need to supply the Showreels/Photos/Profile). Or if you plan more regular applications then you can have 12 applications for £55.00 or 24 mailings for £100.00.

This extra service is a must for anyone who wants high profile image as soon as they start their new career and want professional guidance from those in the know.

ClubPLUS - The plus that means business!
